Pro apache hadoop 2nd edition pdf

These books are listed in order of publication, the most recent first. The Apache Software Foundation does not support any specific book. Links to Amazon are linked to a specific author. This also encourages you to support your local bookstores by buying the book in any local outlet, especially independents. Books in print Here are the books that are currently printed in the order of publishing, along with the Hadoop version against which they were written. One of the problems anyone who writes the book will face is that Hadoop is a very fast-moving goal, and that things can change quickly. Usually this is for the better when the book says Hadoop can't really mean the version of Hadoop with whom we worked, couldn't, and that the situation may have improved since then. If you have any queries about Hadoop, don't be afraid to ask in the appropriate lists to send users. {{{!wiki comment/dotted Attention people are adding new entries. # Only reference books on Hadoop and related programs, rather than random PHP stuff. # Please include the date of publication and the hadoop version of the book is relevant to. # Please write this in a neutral voice, not this book will help you, as this means that asf has opinions on the matter. Someone's just going to handle the claims. # Please don't overdo it in exaggerating the outcome of reading a book, readers of this book will become experts in advanced production scales hadoop algorithms. Such claims will be regulated and will not be replaced. Please don't have tracking URLs. We're just going to cut them up. }}} Hands-On Big Data Processing with Hadoop 3 (Video) Name: Hands-On Big Data Processing with Hadoop 3 (Video) Author: Sudhanshu Saxena Publisher: Packt Date of Publishing: October 2018 Perform real time data analytics. Stream and batch processing on your application using Hadoop Modern Big Data Processing with Hadoop Name: Modern Big Data Processing With Hadoop Author: V. Naresh Kumar, Prashant Shindgikar Publisher: Packt Date of Publishing: March 2018 A comprehensive guide to design, Build i execute effective Big Data strategies using Hadoop Deep Learning with Hadoop Name: Deep Learning with Hadoop Author: Dipayan Dev Publisher: Packt Date Publishing: February 2017 Build, implement and distributed deep learning models for large-scale datasets. Hadoop Blueprints Name: Hadoop Blueprints Authors: Anurag Shrivastava, Tanmay Deshpande Publisher: Packt Date of Publishing: September 2016 Use Hadoop to solve business problems by learning from a rich set of real-life case studies. Hadoop: Data Processing and Modeling Name: Hadoop: Data Processing and Modeling Authors: Garry Turkington, Tanmay Deshpande, Sandeep Karanth Publisher: Packt Date of Publishing: August 2016 Unlock the power of your data with hadoop 2.X ecosystem and data storage techniques in large data sets. Hadoop Explained (Free eBook Download) Name: Hadoop Explained Author: Aravind Shenoy Publisher: Packt Publishing how MapReduce organizira in in velike nabore podatkov in odkriti prednosti Hadoop - od skalabilnosti do varnosti, Vidi kako Hadoop s pažom riješava ogromne količine podatkov Hadoop Real-World Solutions Cookbook- Second Edition Name: Hadoop Real-World

Solutions Cookbook- Second Edition Author: Tanmay Deshpande Publisher: Packt Publishing Date of Publishing: March 2016 The book covers receipts that are based on the latest versions of Apache Hadoop 2.X , PREJA , Panj, Prašič, Sqoop, Flume, Apache Spark, Mahout itd. Hadoop Security: Protecting Your Big Data Platform Name: Hadoop Security: Protecting Your Big Data Platform Avtor: Ben Spivey, Joey Echeverria Publisher: O'Reilly Media Date of Publishing: June 2015 Covers Hadoop security from a high level, down to how to set a secure Hadoop cluster and the individual services within it. Hadoop in Kerberos: The Madness Beyond the Gate Name: Hadoop in Kerberos: The Madness Beyond the Gate Avtor: Steve Loughran Date of Publishing: June, 2015 + This is an ongoing ebook project attempting to cover the internals of Hadoop + Kerberos. Namenjen je razvijalcem in ljudem, ki poskušajo razumeti nejasne sledi staka, povezane s kerberosom. Apache Oozie Essentials Ime: Apache Oozie Essentials Avtor: Jagat Jasjit Singh Založnik: Packt Datum objave: december, 2015 Ta knjiga zajema avtomatizacijo podatkov in ML plinovodov preko Apache Oozie. Data Lake Development with Big Data Name: Data Lake Development with Big Data Author: Pradeep Pasupuleti, Beulah Salome Purra Publisher: Packt Publishing Date of Publishing Date of Publishing: November, 2015 Ta knjiga je za arhitekto in višje menedžerje, ki gradijo strategijo okoli svoje trenutne podatkovne arhitekture, ki jim pomaga prepoznati potrebe po izvajanju Podatkovnega jezera v poslovnem kontekstu. Elasticsearch for Hadoop Name: Elasticsearch for Hadoop Avtor: Vishal Shukla Založnik: Packt Datum objave: oktober, 2015 Elasticsearch for Hadoop zajema integracijo elastika v Hadoop za vizualizacijo in analizo vaših podatkov. YARN Essentials Ime: YARN Essentials Avtorji: Amol Fasale, Nirmal Kumar Založnik: Packt Datum objave: Februar, 2015 PREJA Essentials je za razvijalce z malo znanja o Hadoop 1.x in želijo začeti osvežiti z PREJO.
